A Message to Prestwick Members

Two of our largest tournaments will be held in August and September. The 19th Annual Member~Guest Golf Tournament will be held August 30th - September 1st. The Martin's PGA Superstore Tennis Tournament will be held September 28th - 30th. It is not too late to sign up for either, but if you are interested in the golf tournament, you need to let the Pro Shop know before August 15th.

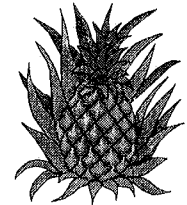

Our local schools will be opening in late August. Everyone please watch out for our children as they go to school and return home.

I hope to see you soon at Prestwick.

GOLF NEWS

Rain, rain - we have finally gotten some and you can definitely tell the difference in the appearance of the golf course. The fairways have greened up and the greens have filled in nicely. The new tee boxes should be an excellent addition to the playability of the course.

Everyone should have received an invitation to play in our annual Member~Guest to be held August 30th - September 1st. This year's event promises to be an exciting one. We will return to the 9 hole matches in your flight format that everyone enjoys. Please get your registration forms in as soon as possible.

Our summer 9 hole shootouts will continue through August. They are held every Wednesday at 5:30 pm. The cost will be \$25 for members and \$35 for non-members. The cost will include 9 holes, dinner, and prizes. A sign up sheet will be in the pro shop. All groups must be signed up in advance.

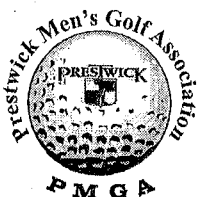

Junior golf clinics have started and will run through August 13th. There will not be a clinic held on August 6th. Clinics are held on Mondays from 5:30 to 6:15 pm for ages 5 to 16. The cost is \$10 per junior.

As always, please feel free to call me or come by anytime.

~Jay

GOLF COURSE MAINTENANCE

August is upon us and although we are still well below average rainfall totals this summer, we are beginning to get some timely rain on occasion. I was getting pretty worried about our water supply as the only other time I had seen the irrigation lake at such a low level was during the initial course construction. It does seem that we are finally getting back to a bit more normal rainfall pattern.

At the time of this writing we are busy de-thatching the fairways, an annual process we do in preparation of fall overseeding. We will also be aerating the greens a second time during the week of August 5th. Beyond those two processes our main focus will be on the upcoming Member Guest Tournament.

The new tee areas on holes 1, 2, 9, and 18 should all be returned to normal play very soon. We will continue some final maintenance (mostly topdressing) on those tees to smooth out any remaining low areas.

Lastly, I am very pleased with the recovery of the turf areas we treated for nematodes. We still have a little ways to go in healing the turf in those areas, but for the most part the recovery after the treatment has been rapid.

~Paul
