## GOLF COURSE MAINTENANCE

I am very pleased with the results of our course overseeding to this point. I believe we have finally hit on the optimal date for seeding. I still anticipate a bit of thinning as the bermudagrass goes fully dormant, but overall I feel we are positioned nicely for quality turf through spring.

Through the colder months we will be focusing on detail items such as filling bunkers, edging cartpaths and leaf removal. We also plan to build a new walking bridge on #17.

I hope everyone has a safe and enjoyable holiday season.

~Paul

### Prestwick League Tennis Rules 2007

The primary goal of the Prestwick Tennis and Swim club is to offer an opportunity for members to participate in competitive league tennis. The Prestwick Tennis staff will help facilitate sign up sheets and field as many teams possible so everyone can enjoy league tennis.

1. Any Prestwick member (in good standing) may be a team captain and form a team.
2. Captains may sign up a member or non-member as long as the following criteria is met:

- Member must qualify for that particular level. Members may play up in a division, but the amount of play is at the discretion of the captain.
- Non-Members must pay the rate of \$200.00 per league. The non-member may only pay that rate during one calendar year. This rate may apply to their initiation fee if they decide to join.
- Non-member fee entitles them to 2 team practices a week and match play during the specified period of the league in which the team is participating.

3. Sign up sheets will be posted at club for anybody interested in league play. Sign up sheets are used only to show interest and will not guarantee a spot on any particular team.

\*Prestwick Tennis will monitor each sign up sheet and try and locate captains or openings for those interested in league play.

4. Combo teams may be formed to provide members an opportunity to play in league tennis.
5. The maximum numbers of players on an Adult team is 16. The maximum numbers of players on a senior is 12. The minimum is 8 for adults and 6 for senior players. Captains must meet the minimum number and it is the Captain's discretion for the maximum number.
