## A Message to Prestwick Members

February is a good month to begin to shake the wintertime blues and for most of us to keep our annual New Year's resolutions of losing weight and exercising more. Our pros at the tennis center and at the golf course would be more than happy to help you get back to playing golf and tennis. We should have two more tennis courts under the lights in another week or two, so feel free to come after dark to warm up on the courts.

It will not be long before the golf course and the tennis courts will both be in their busiest seasons. I encourage everyone to please call ahead for your tee times and court times. Our policy is that members can reserve 2 weeks in advance for tee times. I encourage you to please call ahead of time as March, April, and May are the busiest times of the year.

The club is hosting two specials this month that I hope you will attend. On February 4th, we will be hosting a Super Bowl party. Whether your team is the Bears or the Colts, the game should be great as well as the food and drinks. On February 10th, I hope you can enjoy our Valentine's Dinner and Dance.

David P. DuRant

## GOLF NEWS

First, I would like to thank everyone for their thoughts and prayers for my wife, Sherri. The flowers, cards, food, and concerns have been overwhelming. Sherri is doing well and is expected to make a full recovery. Again, I just want to say thanks to everyone.

The golf season is right around the corner. It looks like this year will be a good one. We have a lot of tournaments scheduled for members to participate in. Please mark your calendars. Just a reminder, members can book tee times in member-reserved times 2 weeks in advance and can book in open tee times one week in advance. Members that are bringing guests can book as far in advance as they would like as long as the number of guests is equal to the number of members. Our guest rates will change a little this year. There will not be as many different rates as there have been in the past.

February will start off with Ladies Opening Day on February 6th. The Ladies days on Tuesdays and the Men's days (Mondays and Wednesdays) will return to their normal times of 8:30.

The golf course has been in nice shape all winter. It should only get better as the weather improves. Spring season brings new merchandise so stop by and see all the new line up.

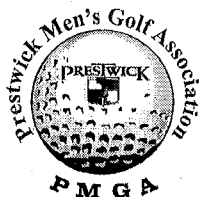

Again, thanks for all your prayers and please stop by and see me or the guys in the pro shop with any concerns.

~Jay

## GOLF COURSE MAINTENANCE

So far this winter has been relatively mild with a few brief periods of very cold weather. Fortunately that has translated into an overall successful course overseeding. Going forward I anticipate the course being in very nice shape throughout the spring.

I am very pleased to announce the addition of two greens rollers to our equipment inventory. These particular rollers are the only ones endorsed by the PGA Tour. This new tool should help smooth the greens and add additional speed to the greens without having to lower the height of cut. Over the course of the year we will learn how to best incorporate the rollers into our existing cultural practices. I am particularly excited to have this new tool available when tournament time rolls around.

~Paul
