GOLF NEWS

The spring golf season is upon us and it looks like it is going to be a good one. We will start double teeing in the mornings and single teeing in the afternoons. The mens and ladies 18 hole groups will go back to an 8:30 am start and the 9 holers will start at 9:00 am. We need everyone's help to stay on time and keep up the pace of play.

Beginning with January 2008, handicaps will be revised twice a month instead of once a month. The revisions will be done on the 1st and the 15th. Make sure you check your handicap each time before you play.

A couple of important dates to remember for 2008 are:

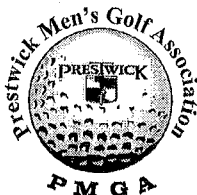

June 7th & 8th Mens & Ladies Member~Member
September 4th - 6th Mens Member~Guest
October 25th & 26th Mens & Ladies Club Championship

We hope everyone will make an effort to play in some of our tournaments.

~Jay

GOLF COURSE MAINTENANCE

So far I am pleased with the course overseeding. There are a few thin areas that concern me, but I believe those are mostly due to concentrated cart traffic. One part of the overseeding that we intend to do differently this upcoming fall is to scalp the rough down immediately prior to casting the seed in hopes of better seed soil contact which should result in better and quicker establishment of the overseeding in the rough areas.

During the first part of February we intend to solid tine aerify the greens on a rotating schedule (one or two greens each day) to help alleviate compaction brought on by our increased play load. Other than that our main focus will be to manicure the course to a high level for the spring golf season
