GOLF NEWS

Our tournament schedule is in full swing. We have a lot of exciting events in the next couple of months so please make plans to participate. July 4th is only a couple of weeks away and we will be holding our annual Flag Day Tournament which is very unique and exciting. Hope to see you there.

There will be a Men's and Ladies clinic on July 10th at 3 pm. One half of the clinic will focus on the short game and then we will move to the range and work on your individual choice. Sign up in the pro shop.

Our junior clinics have been very successful. We will not be having any the week of July 4th. Due to the heat the junior clinic has changed to:

- Monday 5:30 pm - 6:15 pm ages 4 through 8
- Thursday 8:30 am - 9:30 am ages 8 to 16

We will be trying something new with our juniors that are members. There will be a Junior Club Championship played on the afternoon of July 31st and August 1st. Please see the pro shop for further details.

Our Wednesday night shootouts have been a huge success. Please come out and join us every Wednesday evening at 5:30 for 9 holes, dinner and prizes.

Until further notice the driving range will be closed from 9:15 am to noon on Tuesdays and Fridays for maintenance.

As always, thanks for everything and please come see us if you need anything.

~Jay

UPCOMING EVENTS

July 4th
Flag Day

July 18th
Men's Interclub at TPC

Prestwick Women's Golf Association

GOLF COURSE MAINTENANCE

The busy season of summer is upon us again. We are approximately one month out from the aerification of the greens and I am pleased with the progress of the bermudagrass so far. We tried something new this year, actually spraying out the overseeded grass and the results so far have been positive. I do feel that the strong bermudagrass growth on the greens can be attributed to warmer than normal temperatures through the spring, but I also believe that reducing the competition from the overseeded grass has a beneficial effect on the bermudagrass. This new strategy is something we intend to experiment with in future years.

Throughout the month of July we will continue to bring the bermudagrass in and of course keeping up with the mowing will always be an area we focus our efforts. As we progress through the month we will be replacing sod to help heal some high traffic areas.

~Paul

FOOD AND BEVERAGE

July Dinner Buffets

8:30 am - 8:00 pm

Sunday

12 noon - 8:00 pm

State Champions!

Congratulations to the 3.5 Prestwick Lucky Charms! On June 5, 2006 this group of ladies captured the State Championship title for South Carolina. This USTA league event was held in Greenville, SC. Coached by Bobby McWaters and captained by Beth

Warstler and Lisa Haynes. They are on their way to the Southern Sectionals to be held in Charleston this July 22-25. Team members include: Beth Warstler, Lisa Haynes, Betty Eaves, Ellen Lovelady, Diane Hinkle, Janice Modjeski, Carolyn Urban, Jennifer Pratt, Jane Mikol, Ann Underwood, Sherry Gould, Melissa Patton, Colleen Volpe and Mary Bellucci.

Cardio Tennis

Cardio Tennis is a new, fun group activity featuring drills to give players of all abilities an ultimate, high-energy workout. This program includes a warm-up, cardio workout, and a cool down phase. These drills are geared towards existing players

who want to get a great cardio workout while still improving their skills. Remember, the purpose of Cardio Tennis is to give you a good workout, not to make you a great player. The drills are fast-paced, and they are designed to get you moving. If you want to get a great workout while having fun, check out Cardio Tennis. The program will be held mornings from 10:30 - 11:30 on:

- Monday, July 10th
- Wednesday, July 12th
- Monday, July 17th
- Wednesday, July 19th
- Monday, July 24th
- Wednesday, July 26th

Tennis Tip of the Month

Hitting the ball hard and low over the net may look impressive but may actually be a gift to your opponent, unless you know exactly when to use it. Too many people think that the low, hard ball is a great shot while the truth is that it might be the easiest shot for your opponent to return.

Keeping the ball higher over the net and deeper in the court is the best way to keep your opponent from attacking you or your weaknesses. Once you learn to dictate the flight and the trajectory of the ball, chances are you will be hitting more balls in the intended target area and dictating the tempo of the point.
