A Message to Prestwick Members

The month of March is the beginning of the club's busiest time of the year. The amount of play on the golf course and the tennis courts will be at its' peak in the next two months. We will do everything we can to provide you, our members, with the best tee times and court times. Please call ahead to the pro shops to coordinate your needs and requests.

The Swim and Tennis Center recently added additional lights. We now have lights on all of our clay courts. With the increase in play, the additional court availability will hopefully insure that everyone can play as much as they like. Also, at the tennis center, we will soon be completing the outdoor pavilion area and will soon begin construction to increase the size of the pro shop. These two new additions will provide a shady, open air facility and a larger pro shop for all to use.

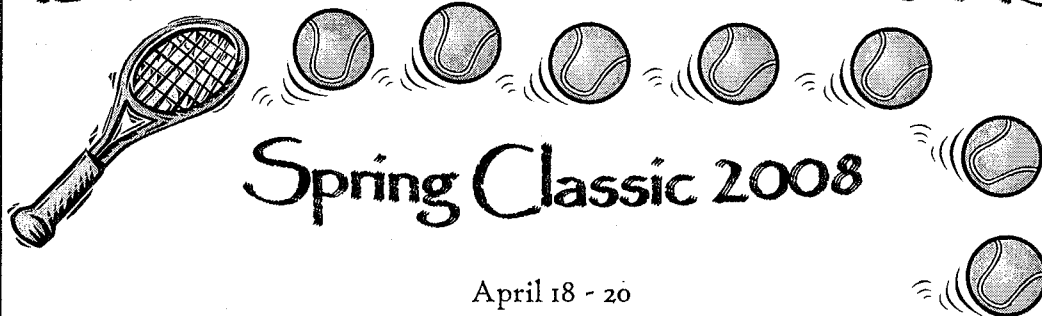

With all of the work and additions at the tennis center, the biggest news is that we have recently hired Will Bull as our Head Tennis Pro. Will comes to us from Kingston Plantation where he was the Director of Tennis for 9 years. Growing up in Myrtle Beach, Will's accomplishments include being ranked #1 in the US in Boy's 16 and Under (1988), ranked #2 in the US in Boy's 18 and Under and #10 in the world (1990). Will also is a past winner of two SC Jr. Player of the Year awards (1986 and 1988) and SC Adult Player of the Year in 2001 and 2006. Will starts his new position at Prestwick in early April of this year.

I also want to congratulate our Chef Richard Hartnett for his accomplishment in the recent Hot Food Competition at the Annual Hotel, Motel, and Restaurant Show in Myrtle Beach. Richard was awarded a bronze medal as one of the top 25 competitors out of 72 chefs that participated. Being this competition was the first of it's kind for Richard, we are very proud of his accomplishment.

I hope to see you at Prestwick.

GOLF NEWS

Spring is finally here and hopefully the warm weather is close by. The golf course will be busy the next couple of months so make sure and book your tee times early. Members can book in member times 2 weeks in advance and in other times 1 week in advance. Please be patient with our golfers this spring. A lot of our players have never played the course and may take a little longer than normal. We will do our best to keep them moving.

The Socastee High School golf team is practicing and playing out here through the spring season. They have 4 matches planned at Prestwick. Anyone that would like to watch a match is encouraged. They begin at 4 pm and will be played on March 17th, April 2nd, and 7th. Come out and support our local team.

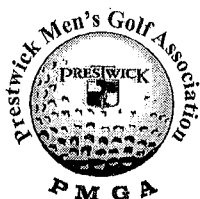

New merchandise has been arriving throughout the month. Stop by and see what catches your eye. We will be having a St. Patrick's Day sale. All items that are green or in the color chart will be 40% off on the 15th, 16th and 17th. Come in and buy your green so you won't get pinched.

As always, feel free to stop by if you have any questions or concerns and I'll see you on the course.

~Jay

GOLF COURSE MAINTENANCE

Going into the beginning of our busiest golf season I am pretty happy with our course overseeding. With the exception of a couple greens with some thin spots and obvious cart traffic problem areas we have got nice coverage. We will be applying a fertilizer/weed preventative combo wall to wall on March 5th, so that should keep the course very green. We will be putting out some new flags and flagsticks soon. We will also address some of these heavy cart traffic areas with a combination of "scatter" signs, stakes and ropes. Any assistance we can get from the membership in avoiding these areas with the carts will be greatly appreciated. With the busy season upon us, we will be focusing our efforts on manicuring the course.
